

# THE SIX WEEK PURSUIT HEROE'S LEGACY

## WEEK 6 – Steadfastness

### Tuesday - “Daniel, Radshach, Meshach, and Abednego”

#### **Devotional:**

Things don't always come easy. In fact, most of the time, you will have to work hard at something for it to come together. My nature doesn't like that fact. I love it when things just come together easily.

I have found in my life that creating good habits helps to bring things together more easily. Daniel shows that his habit of praying 3 times a day at the same time and in the same place helped him with being steadfast. I have been very focused in my life to create habits that help me stay focused and steadfast in my walk with Jesus.

The enemy of our souls wants us to get lazy and discouraged so that we will fall away in our walk with Jesus. It has helped in my life to have many examples of people who were steadfast in their walk with Christ. You need to look for people to have in your life that can help you learn habits to help with steadfastness. The Lord desires for us to be a people who never give up but are always pushing forwards to grow in God's grace.

1 Corinthians 15:58 says, “Therefore, my beloved brothers, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain.”

Be steadfast in your faith!
